Soft PVC coasters and bar mats

Waterproof, washable and anti slide

Promotional soft pvc makes for great relief and multi-colors coasters, customized, waterproof and easy to wash they are very durable.

They only stick on any type of surface and works well as anti-slide avoiding glass to fall easily, they offer a great cushion to protect tables.

Logo process

2D PVC Cloisonne

2D, also called 2D relief or multilevel, is the most common and basic quality of soft pvc. Tooling more simple and cheaper, it can be open by regular CNC.

You can have as many different level as you like, but each level surface is flat, like staircase. It is recommended to always make lettering and small details in relief, a level up from the base or background color.
