Metal enamel bottle label and prime on pack

Metal enamel label are usually high quality and antic finish metal tag with metal chain that come on the bottle neck of liquor and exclusive drink as ornament and charm with custom branded logo or trademark.

We can also make cheap promotional bottle tag & charm in offset printing as label tag for water bottle or soft drink.

Those bottle label can also be uniquely customized with **running number** or **UID code** either with laser engraving or doming.

Finishes available :
