Metal enamel mezuzah and door plaque

Metal door plaque and mezuzah comes in many style and types.

The most common type of door plaque are brass door sign, made by photo etching process with soft enamel, or just relief without color.

Due to their usual large size, stamping and injection would be too expensive or impossible.

There are also door charm and ornament, as we as religious item, like mezuzah (also called mezooza) which are usually made in zamac (zinc alloy) with antic finish.

Finishes available :
