Soft PVC photo frame

Logo process

2D PVC Cloisonne

2D, also called 2D relief or multilevel, is the most common and basic quality of soft pvc. Tooling more simple and cheaper, it can be open by regular CNC.

You can have as many different level as you like, but each level surface is flat, like staircase. It is recommended to always make lettering and small details in relief, a level up from the base or background color.
